After the publication of this article (Parenti, 2021) it came to my attention that I have missed out the LSID code mandatory to publish any new nomenclatural act. Then, that article has been registered in the Official Register of Zoological Nomenclature (ZooBank) as [urn:lsid:zoobank.org:act:C2FD477B-1B9B-4F27-8E90-1F30B291E40C]
